Conversation with
RABBI DR. NACHUM AMSEL
about his new book

“The Encyclopedia of Jewish Values”

Rabbi Dr. Nachum Amsel is the Education Director of the Destiny Foundation, past principal, university lecturer, founded a Seminary and the STARS program (which taught Torah weekly to 3000 students in the Former Soviet Union). He developed a new way to teach Jewish values using popular films, used in 5 continents today, and has authored “The Jewish Encyclopedia of Moral and Ethical Issues”
